## Nathan Boon

*Sr. Program Officer, Watershed Protection*  
William Penn Foundation  
100 North 18<sup>th</sup> Street, 11<sup>th</sup> Floor  
Philadelphia, PA 19103  
215-988-1830  
nboon@williampennfoundation.org  
@WilliamPennFdn

As a Senior Program Officer for Watershed Protection with the William Penn Foundation, Nathan supports science- and data-driven approaches to protect and restore the Delaware River watershed: drinking water source for New York City, Philadelphia, Trenton and Wilmington. Before joining the Foundation in 2012, Nathan worked for the management consulting firm Booz Allen Hamilton and was previously imbedded in francophone Cameroon working on water, sanitation, and health. Nathan holds an M.A. and a B.A. in Earth and Environmental Science from Wesleyan University and a graduate certificate in Environmental Science, Health and Policy from The George Washington University School of Public Health. He is a certified Project Management Professional (PMP) and Geographic Information Systems (GIS) Professional.

- 

## Marc J. Cammarata, P.E.

*Deputy Commissioner*  
Planning & Environmental Services Division  
Philadelphia Water Department  
1101 Market Street, Jefferson Center, 5<sup>th</sup> Floor  
Philadelphia, PA 19107  
215-685-4948  
marc.cammarata@phila.gov

Marc Cammarata is the Deputy Water Commissioner for Planning and Environmental Services for the Philadelphia Water Department. His responsibilities include the integration, direction and management of the Department's planning initiatives and environmental programs focused on wet weather compliance, source water protection, green infrastructure implementation, facility and linear asset renewal and replacement, ecological restoration, laboratory services, energy, and climate mitigation and adaptation. He has 23 years of experience in water resources engineering and environmental planning.
